YOUR SPONSORSHIP WILL:

1. Keep our student-to-teacher ratios at 16-1 to maintain an authentic Montessori experience.
2. Continue to ensure we have Montessori-certified teachers in every classroom.
3. Help us retain our talented educators who currently are paid less than the average of other teachers in Jefferson County.
4. Ensure access to this high-quality education that is usually only available to those in private school settings and yet so critical for 21st century workforce success.
