We are hitching up the wagon that will roll Old Westa Festa 2018 into town on April 14, and we have left room on the wagon for sponsors. Please help us find businesses and individuals that believe in Compass and are willing to show it.

Finding sponsors does not have to be hard--just look around at local businesses, your employer or even entrepreneurs who are looking to get their name out there. Sponsoring Old Westa Festa is a good way to bring attention to a business in a fun environment of people who are committed to launching good people into the world.

Please see the attached [sponsorship packet](#) and user guide, which you can share with people/businesses so they can get involved in our quirky, fun, unique community.
